

2018 Candidate Ratings

Fourth Congressional District

Candidate scores are based on a 10-question written questionnaire and in-person interviews with policy leaders from the three chambers on Friday, May 11. Questions covered the candidates' philosophies on a variety of policy topics including: trade, taxes, immigration, regulations, energy and education. Candidates were told that strict adherence to Chamber policy positions was not disqualifying, but would be considered. **The Greenville Chamber, Spartanburg Area Chamber of Commerce and Greater Greer Chamber do not endorse political candidates.**
